**Amendments to the Specification**

Please replace the paragraph **[0019.]** with the following rewritten paragraph:

---

*a!* **[0019.]** As best shown in FIG. 2, the horse 12 is standing on the ground 36. As will be well understood by those skilled in the art, the horse 12 is provided with withers 40, a shoulder 42 and a buttocks 44. The shoulder 42 has a point 46, and the buttocks 44 ~~have~~ has a point 48. The point 46 is typically at the outermost portion of the shoulder 42. Likewise, the point 48 is an outermost portion of the buttocks 44.
